

BOTTOM LINE: God's family is for anyone and everyone.

MATERIALS NEEDED

- Bibles
- Student Notebooks
- Lego Pack (provided)
- Sharpie (provided)

optional icebreaker: family

INSTRUCTIONS: The goal of Family is to be the head of the family without your secret name being guessed. Give every student a small piece of paper and have them discreetly write the name of a person or character on their paper (i.e. cartoon character, celebrity, athlete). Once they've written the name, tell them to fold their paper in half and put it in a bowl or box. Then, read through all the names one time out loud. Choose one student to start and instruct them to guess the person/character of another person in the group. If they guess correctly, they become a family and are now on the same team together. They then get to make another guess. If they guess incorrectly, the student who was asked then gets a chance to guess. The last student whose person/character has not been guessed wins.
