discipleship opportunities

Here are some options for out-of-group discipleship throughout this series. Deciding how many and which options to complete with your group is totally up to you, but these are some starting points for encouraging your students to continue growing in their relationship with Jesus throughout this series.

bible reading plan: philippians

One way that you can continue to help your students grow in their relationship with Jesus is by doing a Bible reading plan together. You can text out the Philippians Bible plan to your students each day and encourage them to use it as a guide to help them as they dive into reading the Bible. If they miss a day, they don't have to worry about it! They can always pick up where they left off the next day. Encourage them to underline or highlight things that stick out to them as they go!

day 1: Read Philippians 1:1-11
day 2: Read Philippians 1:12-30
day 3: Read Philippians 2:1-11
day 4: Read Philippians 2:12-30

day 5: Read Philippians 3:1-11
day 6: Read Philippians 3:12-21
day 7: Read Philippians 4:1-9
day 8: Read Philippians 4:10-23

videos

Here is a video that takes a deeper look into our relationship with God and each other. It gives some insight into how we can belong to God through a partnership with Him. Scan the QR code to access the video and send it out to your students throughout the weeks.
