## discipleship opportunities

Here are some options for out-of-group discipleship throughout this series. Deciding how many and which options to complete with your group is totally up to you, but these are some starting points for encouraging your students to continue growing in their relationship with Jesus throughout this series.

### serve opportunity: saddleback kids

In Saddleback Kids, students will have the opportunity to serve during weekend services by spending time with students and making an impact in their lives! Weekend services are offered at 4pm+6pm on Saturday and 9pm+11pm on Sunday! Scan the QR code or use [saddlebackkids.com/serve-with-us](https://saddlebackkids.com/serve-with-us) to send it to students who are interested in serving.

### baptism at JHM

If your students have made the decision to follow Jesus, then the next step is to get baptized! Baptism is an outward expression of the inward change that Jesus has done in our lives. JHM has baptisms on the first weekend of every month. Have your students scan the QR code or use [saddlebackjhm.com/baptisms](https://saddlebackjhm.com/baptisms) to find out more information.
