I understand that being involved in a Life Group is a privilege. With this in mind, I am committing myself to the following:

1. _____: I will both **LISTEN** and **CONTRIBUTE** during my life group's meeting times.
2. _____: I will bring my **BIBLE** and **NOTEBOOK** to Life Group.
3. _____: I will not repeat **CONFIDENTIAL** matters **SHARED** by others in my Life Group.
4. _____: I will maintain a **RESPECTFUL** and **POSITIVE** attitude toward my Life Group and leader.
5. _____: I will be **HONEST** about my **LIFE** with my life group.
6. _____: Life Group is a **PRIVILEGE**, not a **RIGHT**. If you aren't honoring the things listed above, your leaders will have a conversation with you, and may remove you from the group.

I understand that the goal is to create a Life Group that feels connected to each other and JHM, and with my Life Group, discover who Christ is and what being a Christian is all about. I will do my part in seeing that this goal is reached.
