WORSHIP & ADORE GOD

Practice worshipping and adoring God in prayer. Below are some ways you can worship and adore God in prayer.

- Write down some things you love about God. After, tell him with your words in prayer.**
- Use Psalm 148 as a prompt for your prayer time.**
- Spend time reflecting on times you've felt or experienced God's love, grace, or friendship. Thank God for these moments.**
- Make a list of things you love about God. Pray over that list throughout the week.**
