

Who Am I?

series overview

One of the biggest questions that every person will ask themselves in life is, "Who am I?" Most people turn to things like where they come from, what they look like, what they're good at, what they have, to answer this question. But the truth is, who we are is based on something deeper than those things. Who I am is based on whose I am. In this series, we will seek to answer the question, "Who am I?" by looking at what God says about us in the Bible and how, when we embrace what God says about us, that influences literally everything else in our lives.
