discipleship opportunities

Here are some options for out-of-group discipleship throughout this series. Deciding how many and which options to complete with your group is totally up to you, but these are some starting points for encouraging your students to continue growing in their relationship with Jesus throughout this series.

life group retreat

Life Group Retreat is a time to be “away” with your JHM Life Group. The retreat is designed to help students have memorable moments of connection, worship as a community, and grow in their walk with Jesus Christ. Our heart for Life Group Retreat is that your students would fall in deeper in love with Jesus, build stronger relationships within your Life Groups and grow in their connection with JHM. Send your students the link to register for Life Group Retreat by scanning the QR code or visiting saddlebackjhm.com/lifegroupretreat

day 10: Thank Jesus for everything you have.

ssm wrshp playlist

Every year, SSM WRSHP puts together a playlist of encouraging worship songs that we sing together on the weekends. This is a great playlist to use during snack, prayer time, or to send out for your students to listen on their own. Encourage them to prioritize worship throughout their week!
